

## SPONSORSHIP OPPORTUNITIES

The **Life Sciences Society** is pleased to invite your organization's participation at this year's:

### Computational Systems Bioinformatics Conference

**August 14-18 at Stanford University**

#### Sponsorship opportunities include:

Platinum	\$30,000
Gold	\$20,000
Silver	\$10,000
Award	\$5,000 (or product donation)

**CSB** is an intimate gathering of over 500 scientists, professionals from industry, academia and government laboratories representing over 30 countries for five days of plenary talks, posters, tutorials, workshops, and demonstrations of cutting edge techniques.

#### Corp/Gov Attendee Affiliations (select):

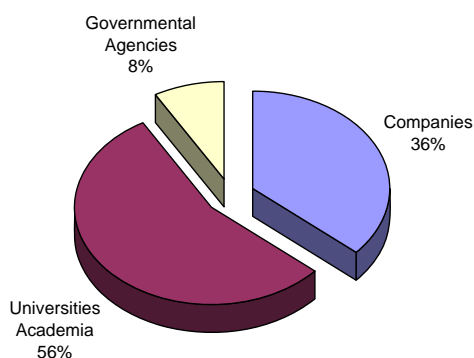

Affymetrix	Oak Ridge Lab
Hewlett Packard	Sandia Lab
Eli Lilly	USDA
Genentech	NIH
GlaxoSmithKline	Agri-Food Canada
IBM	NSF
Intel	LBL
Oracle	LLNL
Roche	Centro Nacional, Madrid

#### Academia Attendee Affiliations (select):

Stanford	Columbia
Harvard	Cambridge
UC Berkeley	Oxford
UCSF	Osaka University
UC San Diego	Zhejiang University
MIT	Johns Hopkins

Achieving a whole systems understanding of life is one of the most daunting challenges in the history of science.

#### 2005 Attendee Demographics

#### This Year's Keynote Speakers:

- Drew Endy**  
Assistant Professor, Biological Engineering, MIT.
- Marvin Frazier**  
VP of Research, J. Craig Venter Institute.
- Mark Musen**  
Head, Stanford Medical Informatics; Professor of Medicine and Computer Science, Stanford Medical Informatics; Stanford University Medical Center.
